During the current year, Marketing Section had initiated selection of CPSs based on Minimum Eligibility Criteria. However, the 134<sup>th</sup> Board Meeting held on 25.10.2018 have approved a guidelines for selection of CPSs for LoDP Scheme. Hence, for initiating implementation of the Scheme, following decisions were taken :

1. Marketing Section may immediately do the selection of CPSs upto scoring of CPFs and shortlisting of CPSs accordingly.
2. Shortlisting of CPSs can be done by scoring of Federation activities. In the previous selection, CPS registration cut off data was as on 30<sup>th</sup> June and for the fresh selection also, this date itself can be used, but those CPS/ CPF in the last lot which are valid as on date may be excluded.

3. As per the guidelines, aggregation of produce is one of the Minimum Eligibility Criteria for selection. Since data on aggregation of produce is not available, it was decided that the scoring will be done based on other points and then from among the shortlisted Federation, data on aggregation of produce will be collected.
4. Marketing Section shall finalize the valid CPSs by 30<sup>th</sup> November 2018 and provide list of shortlisted CPSs after scoring of CPFs.
5. In order to ensure proper release of funds under SCSP, CCDO suggested that Planning Commission has submitted a report on SC dominated area in the State so that it can be taken as a reference for proper allocation. Charge Officers may collect the data regarding SCSP population from SC Development Officer of Districts Concerned and explore the availability of SCSP landholding with coconut.
6. CCDO also Suggested that, for the State, as there is availability of TSP area under Coconut cultivation, the allocation can be extended to TSP area also. It was also suggested that the criteria of holding 10 palms by the CPSs shall be reduced to 5 palms in the case of SCSP/ TSP area.
7. Charge Officers of Concerned District should visit the fields of CPSs and should ensure that the farmers have received inputs and applied it in time.

The meeting ended with Vote of thanks to the Chair.
