

Report on Coconut Based convenience foods training held on 27.12.2014 at Training Centre, DSP Farm Neriamangalam

The third batch of Coconut Based Convenience food training programme was conducted on 27.12.2014 at Training Centre, DSP Farm Neriamangalam. Fifteen trainees selected from Kudumbasree units of Ernakulam District attended the third batch. The training programme started with registration of participants. Farm Manager welcomed the trainees and made presentations and elaborations on Coconut by-products, Food safety standards, Packaging, Marketing and the financial assistance available for establishing small scale units through various agencies. The assistance extended by the Board to farmers groups under various programmes were also elaborated. The trainees were encouraged for formation of small groups to establish small scale processing units and tender coconut parlours. Practical session and hands on training to trainees on preparation of coconut chocolates, coconut balls/ ladoos, coconut milk shake, lemonade, pickle and Coconut chips was extended by the trainer. The trainees from kudumbasree units were majorly housewives and hence were interested to form groups for initiating actions to start small scale coconut processing units after this training. The programme concluded with valedictory session and distribution of Certificates to fifteen trainees on successful completion of the training.
